AMSTAR

ELECTRONICS CORPORATION

HOLD & DRAW

A game featuring the well known game of Draw Poker. This 5 card poker game allows the player to stand pat or discard and draw up to 5 cards to improve his hand. Points are awarded for hands of two pair through royal flush. The deck is re-shuffled after each hand. Player action is directed through lighted switches and on-screen instructions.

the AMSTAR story . . .

AMSTAR, with headquarters in Phoenix, Arizona, the heart of the Southwest's new and burgeoning *High Technology Sophisticated Electronics Industry*, in tandem with the AMSTAR European operation located in Neu Isenburg, Republic of West Germany offers the *Widest Range of Technological Innovation, Market Intelligence and Marketing Response*, to its *World Wide Customers*
